

BIOLOGY 2AP: Summer Reading
Mrs. Capozzola

Welcome to Biology 2 AP! This course is designed to be the equivalent of a two-semester college introductory biology course. This second year Biology course prepares students for the AP Biology Exam and follows the College Board Advanced Placement syllabus.

AP Biology will be challenging and fast-paced. Since there is so much material to cover in order to prepare students for the AP exam, you will be responsible for both a summer reading and homework assignment. The summer homework will be due the first day of school and is as follows:

Read Chapter 1, pp. 1-15

Homework:

- p. 16, #1-10**
- p. 16-17, #1-22**
- p. 17, #1-2**
- p. 17, Understanding the terms a-e**

Read Chapter 2, pp. 19-31

Homework:

- p. 32, #1-10**
- p. 33-34, #1-22**
- p. 34, #1-2**
- p. 34, Understanding the terms a-e**

Read Chapter 3, pp. 35-53

Homework:

- p. 54, # 1-11**
- p. 54-55, # 1-34**
- p. 56, Understanding the terms a-e**

Read Chapter 4, pp. 57-80

Homework:

- p. 81, #1-14**
- p. 81-82, # 1-15**
- p. 82, Understanding the terms a-e**

The textbook you will be using will be available at the library the last week of school and needs to be checked out **before** the last day of school! It is titled:

BIOLOGY: ninth edition, by author Sylvia Mader.

HAVE A GREAT SUMMER!
